This Summary helps you make an informed decision when an insurance product is offered to you by a Distributor. This is not your Certificate of Insurance. The Distributor must also provide you with a fact sheet “Let’s Talk Insurance!” which is to inform you of your rights.

## What is this insurance for? And what are the benefits?

Purchasing an equipment for your business and financing it has an important influence on your financial security. When you arrange to finance your vehicle or equipment purchase from the Distributor, you may choose to purchase optional insurance offered to you. If you choose to do so, the Insurer will pay benefits to your creditor to reduce or pay off your outstanding loan balance if you have an unexpected total disability due to injury or sickness, or if you die.

Up to 4 borrowers can be insured with respect to the same loan.

You can apply for coverage if, on the date you apply for insurance, you are:

- resident in Canada; and
- able to perform the usual duties of your livelihood; and
- a principal shareholder of the business in which the equipment to which the loan applies resides; and
- personally responsible for the payment of the loan or lease arranged by the Distributor or the Group Policyholder.

and in addition

If applying for Life Insurance	<ul style="list-style-type: none"> <li>• You are 18 but not yet 70 years old.</li> </ul>
If applying for Life and Total Disability Insurance	<ul style="list-style-type: none"> <li>• You are 18 but not yet 65 years old;</li> <li>• You are gainfully employed and actively working at least 25 hours a week for a minimum of 12 weeks immediately prior to the date insurance begins; and</li> <li>• You must work at the place of business where the financed equipment resides.</li> </ul>

If your loan amount is greater than \$200,000, you will need to complete a maximum of 4 medical questions to determine if you are eligible to apply for insurance, or the type of insurance you are eligible to apply.

Coverage is optional and voluntary; and purchasing the coverage is not a condition for you to obtain your loan.

## Determine the type of insurance you need Premiums and other fees including applicable taxes

Business Payment Protection Plan is to protect your ability to meet your financial obligations by providing a benefit in the event of your death or disability. You determine the type of insurance based on your needs and financial means; below are the options:

### Options

<input type="checkbox"/>	Life Insurance (Injury and Sickness)
<input type="checkbox"/>	Life Plus: Life Insurance (Injury and Sickness) <b>and</b> Total Disability (Injury only) Waiting Period: 30 Day Retroactive, Maximum 6 Monthly Benefit Payments
<input type="checkbox"/>	Life Insurance (Injury and Sickness) <b>and</b> Total Disability (Injury and Sickness) Waiting Period: 30 Day Elimination, Maximum 12 Monthly Benefit Payments

You may apply for an insurance term that is less than or equal to the term of loan, but not greater than 84 months. Amount Insured cannot be greater than your loan amount or the plan maximum.

Premium amount is calculated based on the amount insured, term of insurance, the type of coverage selected. Age, gender, health and occupation do not affect your insurance premium. Premium is fixed and will not change over time. Applicable provincial sales tax on insurance premiums will be added to the cost of your insurance.

Please note that Business Payment Protection Plan may not pay full outstanding balance of your loan or lease:

- If the loan amount is greater than the amount insured;
- If term of insurance is shorter than your term of loan;
- If you choose to cover a percentage of your loan payment; or
- If there are multiple borrowers insured under this group policy. For example, 2 borrowers responsible for the loan are insured under the group policy; and each insured borrower chose to cover 50% of the monthly payment. When one of the insured borrowers is totally disabled, benefit amount will be the lesser of 50% of the monthly payment or the monthly payment amount divided by the number of insured borrowers. In this case, the amount will be the same.

## What is a “Pre-existing Condition”?

A Pre-existing Condition is a health condition(s) that you have and you received Treatment or Advice within both the 12-month period before your insurance begins and the first 12 months of your coverage; any Total Disability or death related to this condition that arise after you take out the policy will not be covered.

If the health condition(s) is related to disease or disorder of the neck or back, any Total Disability or death related to this condition that arise after you take out the policy will not be covered if you have received Treatment or Advice for such condition(s) within both the 24-month period before your insurance begins and the first 12 months of your coverage.

### Pre-existing Condition for Life and Total Disability Insurance

If the health condition(s) is related to disease or disorder of the neck or back, and if you received Treatment or Advice for such condition(s) within both the 24-month period immediately before your insurance begins and the first 12 months of your coverage, you have a Pre-existing Condition.

## Filing a claim

You or someone acting on your behalf should call the customer service, toll free at 1 888-561-1101 to obtain a claim form. A customer service representative will go through the procedures with you. You must return the completed claim forms and required documents within 90 days after the date of loss. While the Insurer is processing your claim, you are responsible for all scheduled loan payments.

You will receive a claim decision in writing within 10 business days once we have received all of the information required to evaluate your claim. When your claim is approved, you will receive a letter indicating the benefit paid to your creditor.

If your claim is denied, you will receive a letter indicating the reason for the denial; which you can appeal the decision in writing. You will receive a response in writing within 30 days following receipt of your request to review.

## Cancellation of Insurance

**If you change your mind, there is a Satisfaction Review Period** - If you find the insurance to be unsatisfactory, you may cancel coverage within 30 days of purchase; any premium you have paid will be refunded. To do this, you must contact customer service, toll free at 1 888-561-1101 to obtain a cancellation request form.

**After the Satisfaction Review Period** - You may cancel coverage at any time by calling the customer service to obtain a cancellation request form. If you provide proof that the loan was paid, the Insurer will issue the premium refund to you, otherwise, the Insurer will issue the refund to the creditor for credit to your account.

Refund amount is calculated using the following formula:

$$\left( \left[ \frac{R \times (R+1)}{T \times (T+1)} \right] \times \text{Premium} \right)$$

Where R = number of remaining months left on insurance and

T = Term of Insurance in full months

### Example:

Term of Insurance is 60 months T = 60  
You decided to cancel the coverage after 10 months R = 50  
Premium \$2,000  
 $\left( \left[ \frac{50 \times (50+1)}{60 \times (60+1)} \right] \times \$2,000 \right) = \$1,393.44$

If the term of insurance is different for Life Insurance than for Total Disability Insurance, then a premium refund will be calculated separately for each and summed to determine the total refund amount.

If the Insurer declined your application to enroll or the Insurer determined that you were not eligible for coverage when you purchase the coverage, the Insurer will refund full premium as if your insurance has never been in force.

If the cost of the insurance is added to the financing amount and you cancel the insurance, your monthly financing payments might not change. Instead, the refund could be used to shorten the financing period.

## Misrepresentation or failure to disclose

Any misrepresentation, inaccurate representation or failure to disclose could lead to the Policy being cancel *ab initio*, coverage being denied or benefits being refused or reduced. Should you have any questions, please contact the Distributor or the Insurer.
