For any other acute and necessary dental treatment (not including orthodontic treatment), You are eligible for a total maximum benefit of \$300 during the period of coverage;
- Reasonable local travel expenses to a Doctor's office or hospital, but only when that travel was necessary to obtain medical or dental treatment relating to a covered Illness or Accident which occurred during an EF tour; and
- Telephone costs in relation to a covered claim, up to \$75, other than for telephone calls to EF, the Claims Agent or the Insurance Company.

#### B. Emergency Home Evacuation

If You have a life-threatening condition relating to an Illness or Accident that is covered and not excluded by this Group Policy, and if You are unable to return on the scheduled EF flight due to Illness or Accident, You will be reimbursed, up to a maximum of \$50,000, for the additional costs incurred for Your own transportation, if Your Doctor recommends that You return home earlier or later due to Illness or Accident and not with Your EF Tour.

**The Claims Agent must pre-approve the necessity to return home and the mode of transportation.** Without a pre-approval, costs will be compensated according to the necessity and reasonableness of the measures taken and the costs incurred, as deemed by the Insurance Company. The Insurance Company will not pay for the cost of a return to the place where the tour was interrupted.

#### C. Family Member Reimbursement

If You are confined in a hospital outside Your country of residence relating to an Illness or Accident that is covered and not excluded by this Group Policy and Your Doctor requires the personal attendance of a Family Member, or if You decease outside Your country of residence due to an Illness or Accident that is covered and not excluded by this Group Policy and the presence of a Family Member is required by the police or a similar governmental authority, You or Your estate can be reimbursed, up to a maximum of \$50,000, for two round-trip airplane tickets and accommodations for two Family Members from Your home country to join You. Costs for accommodation for Your Family Member(s) will be reimbursed for up to 30 days from the time of Your first visit to the Doctor or hospital, or until Your Doctor certifies that Your condition is stable and the danger of death or deterioration is not imminent, whichever comes first. The costs incurred for accommodation will be reimbursed at the average hotel rate for the city in which You are located and a daily allowance of \$50 per person will be paid.

**The Claims Agent must pre-approve the necessity of Your Family Member to visit You, the mode of transportation and the costs involved.** Without a pre-approval, costs will be compensated according to the necessity and reasonableness of the measures taken and the costs incurred, as deemed by the Insurance Company.

#### D. Home Repatriation

If You die and Your death was caused by an Illness or Accident that is covered and not excluded by this Group Policy, Your estate will be reimbursed, up to a maximum of \$50,000 for the expenses associated for Your body to be sent to Your city of residence, or if Your family so desires, the Insurance Company will pay up to a maximum amount of \$10,000 for local burial in the country where the death occurred (excluding burial in the home country).

#### E. Accidental Death

In the event of Your death, as a result of an Accident which occurs during the period of coverage and which is covered under the Medical Expenses section of this Group Policy, the Insurance Company will pay Your estate a lump sum benefit of \$35,000.

## F. Accidental Disability

---

If You sustain a Disability as a result of an Accident while participating in an EF Tour, and which is covered under the Medical Expenses section of this Group Policy, You will receive up to \$35,000 from the Insurance Company, regardless of the number of injuries You incur from the same Accident, depending on the extent of Your Disability.

The degree of Disability is determined by the product of the impairment percentage assigned by a Doctor multiplied by \$35,000. The impairment value is expressed as a percentage taking into account the body part(s) permanently impaired as that part(s) related to Your whole person. The Doctor will determine the impairment value by use of the American Medical Association's "Guide to Evaluation of Permanent Impairment" most current at the time of claim. If You had a pre-existing physical impairment prior to the Accident, the impairment value of the Pre-existing Condition will be deducted from the impairment value calculated after the Accident. The amount of Your benefit will be determined solely by the extent of Your injury and not by Your ability or inability to work.

In order for You to receive benefits due to a Disability, an Accident must lead to a Disability within one year from the date of the Accident. No payment for any Disability benefit shall be due or payable until at least 30 days have passed from the date of the receipt of the required proof of loss. As soon as the definite degree of Disability is determined, payment pursuant to this Group Policy will be paid with a lump sum representing such portion of the sum covered as corresponds to the degree of Disability.

If the same Accident has resulted in injuries on several parts of the body, benefits will be paid with a calculated disablement degree of a maximum of one hundred percent (100%).
