LET'S TALK INSURANCE!

Name of distributor: The Bank of Nova Scotia
Name of insurer: Chubb Life Insurance Company of Canada
Name of insurance product: Scotia Credit Card Protection

IT'S YOUR CHOICE

You are **never required** to purchase insurance:

- that is offered by your distributor;
- from a person who is assigned to you; or
- to obtain a better interest rate or any other benefit.

Even if you are required to be insured, **you do not have** to purchase the insurance that is being offered. **You can choose** your insurance product and your insurer.

HOW TO CHOOSE

To choose the insurance product that's right for you, we recommend that you read the summary that describes the insurance product and that must be provided to you.

DISTRIBUTOR REMUNERATION

A portion of the amount you pay for the insurance will be paid to the distributor as remuneration.
The distributor **must** tell you when the remuneration exceeds 30% of that amount.

RIGHT TO CANCEL

The Act allows you to rescind an insurance contract, **at no cost**, within 10 days after the purchase of your insurance. However, the insurer may grant you a longer period of time. After that time, fees may apply if you cancel the insurance. **Ask** your distributor about the period of time granted to cancel it **at no cost**.
If the cost of the insurance is added to the financing amount and you cancel the insurance, your monthly financing payments might not change. Instead, the refund could be used to **shorten the financing period**. **Ask your distributor for details**.

The benefit is equal to the LESSER of the following amounts:

 - (b) the amount of interest Scotiabank charges on Your Outstanding Account Balance from the date of death or diagnosis of a critical illness to the date the benefit is paid; however, no more than 120 days of interest will be included, regardless of the period of time that transpires between the date of death or diagnosis of a critical illness and the date the benefit is paid; or

Premiums (Page 5 of the Certificate of Insurance)

The premium rate for coverage under Scotia Credit Card Protection is \$1.09 per \$100 of Your Daily Balance until your 70th birthday, and \$0.49 per \$100 of Your Daily Balance for the remainder of Your coverage period. Provincial sales taxes are also added where applicable, and the premium is conveniently charged to Your Account.

How your premiums are calculated

Your premium is calculated based on your Daily Balance multiplied by the number of days and multiplied by the Daily Premium Rate. Your cost of coverage is the sum of the calculated premiums for the billing period.

Example: Mary is a primary credit card holder under the age of 70 and is enrolled in Scotia Credit Card Protection insurance. For the month of July, Mary has the following balances over 31 days.

Daily Balance	# of Days			Daily Premium Rate (\$1.09/\$100) X 12 / 365	Premiums
\$500	X	10	X	\$0.000358	= \$1.79
\$700	X	15	X	\$0.000358	= \$3.76
\$1,000	X	6	X	\$0.000358	= \$2.15
					\$7.70

Mary's insurance premium for the July billing cycle is \$7.70 + provincial sales tax, where applicable.
