- The 30th day following the date the Claimant returns to his or her job;
- The date the Outstanding Account Balance is paid off;

Specific Benefit Exclusions

The monthly Disability benefit is not payable if the Disability resulted directly or indirectly from:

- any of the exclusions listed under the GENERAL EXCLUSIONS section;

- any period during which the Claimant is not under the regular care, attendance and Treatment of a Doctor.

Recurrent Disability

If the Claimant ceases to be Disabled for a period of 30 consecutive days, subject to the eligibility requirements, the Claimant must submit a new Disability claim for a recurrent Disability.

If, within 30 days of the termination of a monthly Disability benefit for a Disability (such Disability is referred to in this section as "the prior Disability"), the Claimant becomes Disabled as a result of a cause that is the same as, or related to, the cause of the prior Disability, then the monthly Disability benefit will be calculated and paid based on the prior Disability.

The total benefits for a recurrent Disability shall not exceed the maximum amount that would have been paid in respect of the prior Disability.

Proof of Disability

In addition to the general proof of claim matters addressed in the HOW TO MAKE A CLAIM section of this Certificate, the following specific requirements of proof apply:

In support of a Disability claim, please submit a written statement from the Claimant's Doctor, in a form satisfactory to the Insurer, certifying that the Claimant is Disabled. The Insurer may also require the Claimant to be examined by a Doctor chosen by the Insurer.

The Claimant may be required to provide the following:

- (a) written permission for the Insurer to ask the Claimant's former employers and health care practitioners about the Claimant's health; and,
- (b) proof of continuing Disability, as often as is reasonably necessary after payment of monthly Disability benefits begin.

The Claimant must provide or submit to the above to be entitled to claim a monthly Disability benefit.

JOB LOSS BENEFIT

The monthly Job Loss benefit is the sum of:

1. The LESSER of:
 - (a) Ten (10%) percent of Your Outstanding Account Balance on the date of Job Loss, or
 - (b) \$5,000 per insured Account which is the maximum monthly Job Loss benefit; and,
2. The premium in respect of the Outstanding Account Balance covered by the claim, less any benefits paid.

If the sum calculated above is less than \$10, the monthly Job Loss benefit will be the lesser of \$10 and Your Outstanding Account Balance. Monthly Job Loss benefits commence on the 31st day following the date of commencement of the Claimant's Job Loss and will be paid retroactively from the 1st day of unemployment. Benefits continue until the earliest of:

- The 30th day following the date the Claimant returns to employment or self-employment;
- The date the Outstanding Account Balance is paid off;
- The date monthly Job Loss benefits totalling \$50,000 per insured Account have been paid;
- The date when 10 monthly Job Loss benefits have been paid; or,
- The Claimant's 70th birthday.

If the Claimant is unemployed for less than 30 consecutive days, the monthly Job Loss benefit is not payable.

Definition of Job Loss

Employed persons - For the purposes of this Job Loss benefit, a person is considered to be employed or have had employment, if he or she was employed at least 180 consecutive days for a salary or another form of remuneration on a full time basis for

one or more employers, at least 20 hours each week immediately prior to the date the Claimant's Job Loss commenced. The 20 hour work requirement is continuous and must not be calculated through averaging.

Self-employed persons - For the purposes of this Job Loss benefit a person is considered to be self-employed or to have had self-employment, if he or she worked for income to be received from a trade or profession in which he or she was engaged, a partnership in which he or she was a partner, his or her own business, or a private company or other entity in which he or she had an ownership interest.

Specific Benefit Conditions

Employed persons - The monthly Job Loss benefit will be paid only if the employed person is laid off or terminated by his or her employer. The date notification of layoff or termination of employment is received shall be considered the date of commencement of the Job Loss, regardless of the effective date of layoff or termination provided in such notification.

Self-employed persons - The monthly Job Loss benefit will be paid only if a self-employed person is declared bankrupt as a result of a petition filed against him or her by a creditor under the Bankruptcy and Insolvency Act (Canada).

The Claimant must have become unemployed on or before his or her 70th birthday to claim for Job Loss benefits.

Specific Benefit Exclusions

The monthly Job Loss benefit is not payable if:

- (a) the Claimant became unemployed within 30 days of the Effective Date of Your coverage; or
- (b) the Claimant knew that he or she was about to become unemployed at the time of application for coverage; or
- (c) the Job Loss is the direct or indirect result of:
 - resignation or retirement from employment;
 - dismissal from employment for cause;
 - Disability for which benefits are payable through this insurance;
 - a Strike or Lockout. Benefits in respect to Strike or Lockout are described under the STRIKE OR LOCKOUT BENEFIT section.

Repeated Job Loss

If a monthly Job Loss benefit has been paid in respect of a Job Loss claim (referred to in this section as the "prior Job Loss claim") and within 180 days of the termination of those benefits, the Claimant becomes unemployed again, then the monthly Job Loss benefit will be the same monthly benefit based on the prior Job Loss claim.

The total benefits for the prior and a repeated Job Loss claim combined shall not exceed the maximum amount that would be paid in respect of the prior Job Loss claim.

Proof of Job Loss

In addition to the general proof of claim matters addressed in the HOW TO MAKE A CLAIM section of this Certificate, the following specific matters of proof apply:

If the Claimant was employed, the following are required in support of the Job Loss claim:

- (a) information from the Claimant's former employers; and
- (b) proof that, within 15 days after the Job Loss commenced, the Claimant registered with the Canada Employment Insurance Commission (CEIC) to receive employment insurance benefits or proof that the Claimant has received the maximum benefits available from the CEIC; and
- (c) proof that the Claimant is actively seeking employment.

The Claimant must stay registered with the CEIC for as long as the Claimant is eligible for CEIC benefits.

Whether or not the Claimant was employed or self-employed, the Claimant may be required to provide proof of continuing Job Loss as often as reasonably necessary after payment of Your monthly Job Loss benefit begins.

STRIKE OR LOCKOUT BENEFIT

The monthly Strike or Lockout benefit is equal to the sum of:

1. The LESSER of:

- (a) Ten (10%) percent of Your Outstanding Account Balance on the date of Strike or Lockout, or
- (b) \$5,000 per insured Account which is the maximum monthly Strike or Lockout benefit; and

2. The premium in respect of the Outstanding Account Balance covered by the claim less any benefits paid.

If the sum calculated above is less than \$10, the monthly Strike or Lockout benefit will be the lesser of \$10 and Your Outstanding Account Balance. Monthly Strike or Lockout benefits commence on the 31st day of the Strike or Lockout and will be paid retroactively from the 1st day of the Strike or Lockout. Benefits continue until the earliest of:

- The 30th day following the date the Strike or Lockout ends;
- The date the Outstanding Account Balance is paid off;
- The date monthly Strike or Lockout benefits totaling \$50,000 per insured Account have been paid;
- The date when 10 monthly Strike or Lockout benefits have been paid; or,
- The Claimant's 70th birthday.

If the Strike or Lockout lasts for less than 30 consecutive days, the monthly Strike or Lockout benefit is not payable.

Definition of a Strike or Lockout

A Strike is defined as any disruption of work by an employee group to which the Claimant belongs, for the purpose of limiting the output of one or more employers. A Lockout is defined as an act by the Claimant's employer to temporarily close their place of employment, or suspend the Claimant's employment without ending it.

Specific Benefit Conditions

The Strike or Lockout must occur before the Claimant's 70th birthday to claim for benefits.

Specific Benefit Exclusions

The monthly Strike or Lockout benefit is not payable if:

- (a) The Strike or Lockout occurs within 30 days following the Effective Date of Your coverage, or
- (b) If the Claimant was employed for less than 24 consecutive weeks immediately prior to the date of the Strike or Lockout; or
- (c) The Strike or Lockout is not carried out in accordance with applicable legislation or the terms of an agreement between the employee group and the employer.

MULTIPLE CLAIMS

Any benefit payable under any one of the insured events shall not be payable under another insured event for the same cause. If the Claimants are eligible concurrently for a benefit payable for more than one insured event covered by this Certificate, the benefit paid shall be limited to the highest amount. The Claimants shall therefore be entitled to only one benefit at a time.

If You and the Co-borrower on the insured Account both die or are both diagnosed with a Critical Illness within 30 days of each other, and a death benefit or Critical Illness benefit would, except for this section, otherwise be payable, Scotia Credit Card Protection will only pay the benefit payable, if any, in respect of the first person to die or be diagnosed with a Critical Illness.

If either a monthly Disability benefit, a Job Loss benefit or a Strike or Lockout benefit would be payable for both You and the Co-borrower on the insured Account with respect to the same or overlapping periods of time, the benefit for the first person who incurs a claim will be determined in the usual manner under the applicable benefit provision. However, for the second person who incurs a claim, benefits will be based on the difference between the Outstanding Account Balance on the date the second person incurs a claim and the Outstanding Account Balance used to determine the first person's benefit, less any monthly benefits paid to reduce the first person's Account balance. However, for both claims, benefits will not exceed \$5,000 per month per Account and will not exceed \$50,000 in total per insured Account.
