

Integrity+ by Chubb® for Technology Companies

Cyber. Tech. Cloud. Risks.

CHUBB®

Flexible Insurance Protection for Your Expanding Business

Companies like yours are developing transformative, perhaps even disruptive, technologies. To succeed, your company thinks ahead, innovates, grows and takes chances. But there is a downside: these actions may expose your company to greater levels of financial risk. That's why we created *Integrity+ by Chubb*®.

Integrity+ by Chubb® provides insurance to protect and preserve technology companies' most important relationships –with customers, vendors, employees, sub-contractors and shareholders.

Integrity+ by Chubb® is designed specifically to meet the needs of Technology companies...

- Satisfies customer and supplier contractual insurance requirements.
- Provides insurance protection for financial injuries from contract performance failure, or from actual or suspected product or service defects or deficiencies.
- Extends insurance to include defence of your customers, vendors or others if you assumed such responsibility before the loss in a written business contract.
- Additional insurance is available to help protect you in the event of delay exposures, including the return of amounts paid for your products or your services.
- Consistent with provincial, federal or international notification and data protection laws.
- Additional insurance is available for fines and penalties following privacy data breach.
- Includes insurance for privacy data breach expenses of your customers and others, if you assumed such responsibility before a loss in a written contract related to your products or services.
- Integrates with Chubb's General Liability and Property/Business Income insurance to help minimize gaps.
- Special protection available as part of Chubb's *MasterKey* Policy or as part of *Integrity+* for: electronic data recovery cost, business income loss, and extra expense caused by or resulting from an act of malicious programming.

With *Integrity+ by Chubb*®, you can select from among four separate Coverages. Each is designed to work on a stand-alone basis or together—to create solutions customized for your business.

Coverages	Claimant	Provides insurance protection for:
Coverage A: Errors and Omissions Liability	Insured's customer	Financial injury due to an actual or alleged product or service defect or contract performance failure.
Coverage B: Destructive Programming Liability	Vendors, suppliers or other third parties, other than insured's customer	Damages and claimants costs sustained by a third party resulting from destructive programming from an actual or suspected failure to perform your obligations under a written contract that authorizes you to use a third party's system.
Coverage C: Extended Cyber Liability	Third parties, other than insured's customer	Damages and claimant costs sustained by a third party (other than your customer) for injury caused by <i>unauthorized access or use</i> of software, data or other information in electronic form.
Coverage D: Disclosure of Confidential Information, Intellectual Property (IP) Infringement, and Reputation Disparagement	Third parties, other than insured's customer	Damages and claimant costs sustained by a third party (other than your customer) resulting from actual or suspected disclosure of confidential information, intellectual property infringement, or reputation disparagement.
