Home Plus

Owning a house and a car are two of the biggest financial milestones in life. Nothing beats the feeling of knowing you worked hard and earned what you've finally wished for; the sense of accomplishment is beyond words can describe. Although owning these valuable possessions may give you a sense of security, how could you ensure that the contents of your hard earned assets are sheltered from exposure to mishaps like flood, theft, and other untoward events?

Chubb understands that a single insurance policy could usually fall short in providing a holistic coverage for the contents of these valuable assets. However, it would be too costly to get multiple insurance policies for these possessions. Hence, we crafted Home Plus™, an insurance plan that provides residential and lifestyle coverage, assuring the contents of these important assets are covered in a single plan with a competitive price for your convenience.

Get your home and car contents covered while you are on the go with Chubb's Home Plus now!
