## **Professional Indemnity Insurance**

# Proposal Form For Media Industry Professional Liability

#### **Important Notices to the Applicant**

Statement pursuant to Section 25 (5) of the Insurance Act (Cap. 142) (or any subsequent amendments thereof) - You are to disclose in this Proposal Form fully and faithfully all facts which you know or ought to know, otherwise the policy issued hereunder may be void.

#### Your Duty of Disclosure

Before you enter into a contract of general insurance with an Insurer, you have a duty to disclose to the Insurer every matter that you know, or could reasonably be expected to know, is relevant to the Insurer's decision whether to accept the risk of the insurance and, if so, on what terms.

You have the same duty to disclose those matters to the Insurer before you renew, extend, vary or reinstate a contract of general insurance.

Your duty however does not require disclosure of any matter:

- that diminishes the risk to be undertaken by the Insurer;
- that is of common knowledge;
- that your Insurer knows or, in the ordinary course of its business, ought to know;
- as to which compliance with your duty is waived by the Insurer.

It is important that all information contained in this proposal is understood by you and is correct, as you will be bound by your answers and by the information provided by you in this proposal. You should obtain advice before you sign this proposal if you do not properly understand any part of it.

Your duty of disclosure continues after the proposal has been completed up until the contract of insurance is entered into.

#### Non-Disclosure

If you fail to comply with your duty of disclosure, the Insurer may be entitled to void the contract from its beginning.

If your non-disclosure is fraudulent, the Insurer may also have the option of avoiding the contract from its beginning, to retain any premium that you have paid for this contract of insurance.

#### Change of Risk or Circumstances

You should advise the Insurer as soon as practicable of any change to your normal business as disclosed in the proposal, such as changes in location, acquisitions and new overseas activities.

### **Subrogation**

Where you have agreed with another person or company, who would otherwise be liable to compensate you for any loss or damage which is covered by the policy, that you will not seek to recover such loss or damage from that person, the Insurer will not cover you, to the extent permitted by law, for such loss or damage.
