#### Part C. Declaration

We acknowledge that we have read and understood the Important Notices contained in this Proposal.

We agree that this Proposal, together with any other information or documents supplied, shall form the basis of any contract of insurance.

We acknowledge that if this Proposal is accepted, the contract of insurance will be subject to the terms and conditions as set out in the policy wording as issued or as otherwise specifically varied in writing by Chubb.

We declare after enquiry that the statements, particulars and information contained in this Proposal and in any documents accompanying this Proposal are true and correct in every detail and that no other material facts have been misstated, suppressed or omitted.

## Advisory

Unless exempted, any employer who fails to insure himself in accordance with the Work Injury Compensation Act shall be guilty of an offence and shall be liable on conviction to a fine not exceeding \$10,000 or to imprisonment for a term not exceeding one year or to both.

The information declared in this form may be made known to the Ministry of Manpower as and when required.

The Work Injury Compensation Act covers all employees regardless of their level of earnings. Whilst insurance for employees who are newly covered under the Act (i.e. those involved in non-manual work and earning above S\$1,600 per month) is not compulsory, employers will still be required to pay compensation in the event of a valid claim.
