## **Global Services**

### The highest level of service for complex insurance needs

### 

### **About Chubb**

Chubb, the world's largest publicly traded property and casualty insurer, provides commercial and personal property and casualty insurance, personal accident and supplemental health insurance, reinsurance and life insurance. Chubb maintains operations in 54 countries, with approximately 31,000 employees servicing a diverse group of clients globally for their domestic and multinational insurance business needs.

### Worldwide Multinational Capabilities

Chubb has dedicated multinational capabilities via our owned offices and a network of 200 multinational partners worldwide. We have a local presence in the following regions/countries and remain committed to our multinational strategy and investment:

Europe	including Belgium, Czech Republic, Denmark, Finland, France, Germany, Gibraltar, Hungary, Ireland, Italy, Netherlands, Norway, Poland, Portugal, Spain, Sweden, Switzerland, United Kingdom
North America	Bermuda, Canada, Puerto Rico, United States
Asia Pac and Far East	including Australia, China, Hong Kong, Indonesia, Japan, Korea, Macao, Malaysia, New Zealand, Philippines, Singapore, South Korea, Taiwan, Thailand, Vietnam
Latin America	including Argentina, Brazil, Chile, Colombia, Ecuador, Mexico, Panama, Peru
Eurasia and Africa	including Bahrain, Egypt, Pakistan, Russia, Saudi Arabia, South Africa, Tunisia, Turkey, United Arab Emirates

#### **Comprehensive Global Network**

Chubb's multinational business network provides best in class products and services in over 200 countries and territories. Chubb's global network provides a seamless approach to managing global programmes and annually over 57,000 local admitted policies are placed, totalling USD \$1 billion in premium, for all Chubb multinational clients.

**Chubb Global Services** is a dedicated team of over 400 insurance professionals providing outstanding expertise to multinational businesses of all sizes. Our professionals manage and deliver consistent oversight in all key disciplines required to support multinational insurance programmes.

## Award Winning Multinational Technology

**Worldview**<sup>®</sup> is our award-winning technology that has revolutionised insurance programme management. This easy-to-use, web-based application provides real-time access to Chubb's systems and expertise. With more than 16,000 users, Worldview helps our customers more effectively and seamlessly manage and track all aspects of their global risk management programmes from an intuitive, easy-to-navigate home screen.

#### **Chubb Global Accounts**

- Streamlines your programme management
- Monitors legal and regulatory compliance issues around the world
- Puts your entire programme at your team's fingertips through Worldview

# Dedicated Multinational Claims & Engineering Capabilities

Chubb's claims network provides control, consistency and integrated service to policyholders in all regions. Our claims handling service is renowned for its quality, promptness and fairness. No matter where your claim occurs, we are ready to assist. We now have more claims professionals and claims relationship managers in more locations that adds to Chubb's ability to cover your business globally and serve you locally. When claims occur across borders, we coordinate with our worldwide claims team to ensure a consistent approach and the high quality service you expect.

Chubb's in-house network of more than 400 risk engineers around the globe helps companies anticipate and minimise costly exposures. Our 70-year history demonstrates our commitment to service excellence in providing loss mitigation services for businesses of all sizes and in any geography.
