

Contractors Pollution Liability and Errors & Omissions Insurance Policy

Occurrence-Based Pollution Liability Coverage

This Policy is issued by the stock insurance company identified in the Declarations (hereinafter *the Insurer*).

COVERAGE A. OF THIS POLICY PROVIDES COVERAGE ON A CLAIMS-MADE AND REPORTED BASIS, WHICH COVERS ONLY CLAIMS FIRST MADE AGAINST THE INSURED AND REPORTED TO THE INSURER, IN WRITING, DURING THE POLICY PERIOD OR WITHIN THIRTY DAYS THEREAFTER, UNLESS AN EXTENDED REPORTING PERIOD APPLIES. COVERAGE C. OF THIS POLICY PROVIDES FIRST-PARTY COVERAGE ON A DISCOVERED AND REPORTED BASIS, WHICH COVERS ONLY POLLUTION CONDITIONS AND SITE ENVIRONMENTAL CONDITIONS, AS APPLICABLE, FIRST DISCOVERED AND FOR WHICH AN EMERGENCY CLAIM IS REPORTED TO THE INSURER, IN WRITING, DURING THE POLICY PERIOD OR WITHIN THIRTY DAYS THEREAFTER, PROVIDED THAT COVERAGE FOR EMERGENCY RESPONSE COSTS IS LIMITED BY MORE SPECIFIC REPORTING CRITERIA AND COVERS ONLY EMERGENCY RESPONSE COSTS INCURRED, AND REPORTED TO THE INSURER, IN WRITING, WITHIN THE SPECIFIC TIMING REQUIREMENTS IDENTIFIED IN THIS POLICY. FINALLY, COVERAGES D. AND E. OF THIS POLICY ALSO HAVE SPECIFIC REPORTING CRITERIA AND ONLY COVER LOSS RELATED TO WRONGFUL ACTS FOR WHICH CONTEMPLATED ACTIONS OR AFFIRMATIVE CLAIMS, RESPECTIVELY, ARE REPORTED TO THE INSURER, IN WRITING, WITHIN THE SPECIFIC TIMING REQUIREMENTS IDENTIFIED IN THIS POLICY. PLEASE READ THIS POLICY CAREFULLY. SOME OF THE PROVISIONS CONTAINED IN THIS POLICY RESTRICT COVERAGE, SPECIFY WHAT IS AND IS NOT COVERED AND DESIGNATE YOUR RIGHTS AND DUTIES. LEGAL DEFENSE EXPENSES ARE SUBJECT TO AND SHALL ERODE THE LIMITS OF LIABILITY AND ANY APPLICABLE SELF-INSURED RETENTION.

Throughout this Policy the words *the Insurer* shall refer to the company providing this insurance. Other words and phrases that appear in quotation marks have special meanings and are defined in Section V., **DEFINITIONS**.

In consideration of the payment of the premium and in reliance upon all statements made in the Application to this Policy, including the information furnished in connection therewith, and subject to all terms, definitions, conditions, exclusions and limitations of this Policy, the Insurer agrees to provide insurance coverage to the “insured” as described herein.

I. INSURING AGREEMENTS

Solely to the extent that the coverages below are identified on the Declarations to this Policy as being underwritten by the Insurer, the Insurer agrees to pay on behalf of the “insured” for:

A. ERRORS AND OMISSIONS COVERAGE (Coverage A.)

“Loss”, in excess of the “self-insured retention”, resulting from “claims” arising out of a “wrongful act”, provided that the “claim” is first made during the “policy period”. Any such “claim” must be reported to the Insurer, in writing, during the “policy period” or within thirty (30) days after the expiration of the “policy period”, or during any applicable “extended reporting period”.

The coverage afforded pursuant to this Coverage **A.** only applies to “wrongful acts” that result from “covered professional services” performed on or after the retroactive date identified in Item **5.** of the Declarations, and prior to the expiration of the “policy period”.

B. CONTRACTORS LIABILITY COVERAGE (Coverage B.)

“Loss”, in excess of the “self-insured retention”, resulting from “claims” arising out of a “pollution condition” or “site environmental condition”.

The coverage afforded pursuant to this Coverage **B.** only applies when the “bodily injury”, “property damage” or “environmental damage” associated with such “loss” occur during the “policy period” and result from “covered operations”, “completed operations” or “transportation”.

C. CONTRACTORS EMERGENCY RESPONSE AND CATASTROPHE MANAGEMENT COVERAGE (Coverage C.)

“Loss”, in excess of the “self-insured retention”, resulting from “emergency claims” arising out of a “pollution condition” or “site environmental condition”, provided the “insured” first discovers such “pollution condition” or “site environmental condition” during the “policy period”. Any such “emergency claim” must be reported to the Insurer, in writing, during the “policy period” or within thirty (30) days after the expiration of the “policy period”.

The coverage afforded pursuant to this Coverage **C.** only applies to “pollution conditions” and “site environmental conditions” that result from “covered operations” or “transportation” performed during the “policy period”, including associated “completed operations”, if any.

D. RECTIFICATION COVERAGE (Coverage D.)

“Loss”, in excess of the “self-insured retention”, arising out of a “wrongful act” in the performance of “covered professional services”.

It is a condition precedent to the coverage afforded pursuant to this Coverage **D.** that:

1. Prior to the effective date of the first Rectification Coverage issued to the “named insured” by the Insurer and continuously renewed, no “responsible person” had a basis to believe that any such “wrongful act” might reasonably be expected to be the basis of a “claim”;
2. The “named insured” demonstrates to the Insurer’s satisfaction that any such “wrongful act” can reasonably be expected to result in a “loss” covered pursuant to Coverage **A.** of this Policy;
3. The “wrongful act” arose out of the performance of “covered professional services” that first commenced, in their entirety, on or after the retroactive date identified in Item **5.** of the Declarations, and before the end of the “policy period”; and
4. Details of the actions contemplated by the “named insured” to minimize its liability for the “wrongful act”, including the scope and amount of any associated “loss”, are reported to the Insurer, in writing, during the “policy period” or within a term not to exceed thirty (30) days after the expiration of the “policy period”.

E. CONTINGENT PROFESSIONAL INDEMNITY COVERAGE (Coverage E.)

“Loss”, in excess of the “self-insured retention”, arising out of an actual or alleged “wrongful act” of a “responsible professional” in the performance of “covered professional services”, provided an “affirmative claim” for the “named insured’s” total loss is first made by the “named insured” and reported to the Insurer during the “policy period”.

It is a condition precedent to coverage afforded pursuant to this Coverage **E.** that:

1. Prior to the effective date of the first Contingent Professional Indemnity Coverage issued to the “named insured” by the Insurer and continuously renewed, no “responsible person” had a basis to believe that any such “wrongful act” asserted in the “affirmative claim” might reasonably be expected to be the basis of an “affirmative claim”;
2. The “wrongful act” arose out of the performance of “covered professional services” that first commenced, in their entirety, on or after the retroactive date identified in Item **5.** of the Declarations, and before the end of the “policy period”;
3. The “named insured” has used reasonable, good-faith efforts to recover its total loss from all “responsible professionals”; and
4. The “named insured” has not contractually limited the liability of any “responsible professional”, except to the limits of all available insurance proceeds, without the prior express written consent of the Insurer.

II. LIMITS OF LIABILITY AND SELF-INSURED RETENTION

- A.** It is expressly agreed that the Insurer's obligation to pay for any covered "loss" pursuant to this Policy shall attach to the Insurer only after the "first named insured" has paid, or has provided evidence to the Insurer that another "named insured" has paid, the full amount of the "self-insured retention" with respect to any covered "wrongful act", "pollution condition" or "site environmental condition". Under no circumstances, including, but not limited to, an "insured's" insolvency and/or bankruptcy, shall the Insurer be liable to pay any amount within the "self-insured retention". In the event that the "first named insured" cannot provide satisfactory evidence that a "named insured" has paid the full amount of the "self-insured retention" with respect to any covered "wrongful act", "pollution condition" or "site environmental condition", the "first named insured" shall remain responsible to pay the "self-insured retention" before the Insurer's payment obligation pursuant to this Policy shall attach with respect to coverage sought by any "insured".

Notwithstanding the foregoing, if the "insured" agrees with the Insurer to use "mediation" to successfully resolve any "claim" for which "legal defense expenses" have been incurred, then the "self-insured retention" applicable to the "wrongful act", "pollution condition" or "site environmental condition" that corresponds to such "claim" shall be reduced by fifty percent (50%), subject to a maximum reduction in the "self-insured retention" of twenty-five thousand dollars (\$25,000).

- B.** One "self-insured retention" shall apply to all "loss" arising out of the same, continuous, repeated, or related "wrongful act", "pollution condition" or "site environmental condition". If the same, continuous, repeated, or related "wrongful act", "pollution condition" or "site environmental condition" triggers coverage pursuant to multiple coverage parts, or otherwise involves multiple exposures that have been assigned exposure-specific "self-insured retention" amounts by endorsement to this Policy, the single largest of the associated "self-insured retention" amounts identified in: **1)** Items **4.a.** through **4.e** of the Declarations; **2)** any Supplemental Coverage added by endorsement to this Policy; or **3)** any exposure-specific "self-insured retention" endorsement identified as part of this Policy, shall apply to all "loss" and other covered exposures arising out of such "wrongful act", "pollution condition" or "site environmental condition", except for any "catastrophe management costs" that are assigned an exposure-specific "self-insured retention" in Item **4.** of the Declarations, if any (hereinafter Catastrophe Management-Specific SIR Obligation). Amounts within any such Catastrophe Management-Specific SIR Obligation shall be independent of, and shall not otherwise erode, the single largest "self-insured retention" applicable to all other covered exposures arising out of the same "pollution condition" or "site environmental condition" as contemplated herein.
- C.** Subject to Subsections **D.** and **E.**, below, the most the Insurer shall pay for all "loss" arising out of the same, continuous, repeated, or related "wrongful act", "pollution condition" or "site environmental condition" is the Per Wrongful Act, Pollution Condition or Site Environmental Condition Limit of Liability identified in Item **3.a.** of the Declarations to this Policy.
- D.** Subject to Subsection **C.**, above, and Subsection **E.**, below, **\$250,000** shall be the maximum amount the Insurer shall pay for all "catastrophe management costs" arising out of all "pollution conditions" and "site environmental conditions".
- E.** Subject to Subsections **C.** and **D.**, above, the Total Policy and Program Aggregate Limit of Liability identified in Item **3.b.** of the Declarations shall be the maximum liability of the Insurer pursuant to this Policy with respect to all "loss".
- F.** If more than one Insuring Agreement pursuant to this Policy applies to the same "loss", the Insurer shall not pay any more than the Limit of Liability identified in Item **3.a.** of the Declarations for the same, continuous, repeated or related "wrongful act", "pollution condition" or "site environmental condition" that gave rise to the "loss".
- G.** If the Insurer or an affiliate has issued claims-made professional liability coverage to the "insured" over successive policy periods, then all "loss" resulting from multiple "claims", which: arise out of the same, continuous, repeated or related "wrongful act"; and are reported to the Insurer over multiple policy periods, shall be treated as a single "claim" arising out of a single "wrongful act" pursuant to a single policy. Said "claim" shall be subject to the Limits of Liability and "self-insured retention" of the policy in effect at the time that the "wrongful act" was first reported to the Insurer, and no other policy shall respond.
- H.** All "loss" arising out of the same, continuous, repeated or related "pollution condition" or "site environmental condition" shall be treated as arising out of a single "pollution condition" or "site environmental condition"

subject to a single Limit of Liability pursuant to a single policy. If the Insurer or an affiliate has issued occurrence-based contractors pollution liability coverage to the “insured” over successive policy periods, said “loss” shall be subject to the Limits of Liability and “self-insured retention” of the policy in effect at the time that the associated “bodily injury”, “property damage” or “environmental damage” first occur from such “pollution condition” or “site environmental condition”.

- I.** Indivisible, progressive “bodily injury”, “property damage” or “environmental damage” over multiple policy periods caused by the same, continuous, repeated or related “pollution condition” or “site environmental condition” shall be deemed to have occurred only in the policy period of the date of the first exposure to the “pollution condition” or “site environmental condition”. If the Insurer or an affiliate has issued occurrence-based contractors pollution liability coverage to the “insured” over successive policy periods, and, if the date of such first exposure cannot be conclusively determined, but the indivisible, progressive “bodily injury”, “property damage” or “environmental damage” continues to exist during the Insurer’s successive periods of coverage, the “bodily injury”, “property damage” or “environmental damage” shall be deemed to have occurred only on the effective date of the first, relevant contractors pollution policy issued by the Insurer, and no other policy shall respond.
- J.** If the Insurer or an affiliate has issued emergency response or catastrophe management coverage on a discovered and reported basis consistent with coverage afforded pursuant to this Policy in one or more policy periods, and a “pollution condition” or “site environmental condition” is first discovered and reported to the Insurer in accordance with the terms and conditions of this Policy, then any continuous, repeated, or related “pollution condition” or “site environmental condition” that is subsequently reported to the Insurer during later policy periods shall be deemed to be one “pollution condition” or “site environmental condition” discovered during this “policy period”, and no other policy shall respond.

III. DEFENSE AND SETTLEMENT

- A.** The Insurer shall have the right and, subject to the “self-insured retention” obligation, the duty to defend the “insured” against a “claim” to which this insurance applies. The Insurer shall have no duty to: **1)** defend the “insured” against any “claim” to which this insurance does not apply; or **2)** defend any “claims” seeking sums payable pursuant to, or have any duty to prosecute “affirmative claims” contemplated in, Coverage **E.** of this Policy. The Insurer’s duty to defend the “insured” ends once the Limits of Liability are exhausted or are tendered into a court of applicable jurisdiction, or once the “insured” refuses a settlement offer as provided in Subsection **E.**, below.
- B.** The Insurer shall have the right to select legal counsel to: **1)** represent the “insured” for the investigation, adjustment, and defense of any “claims” covered pursuant to this Policy; and **2)** assist the “insured” with clarifying the extent of, and to help minimize, any “emergency response costs”. Selection of legal counsel by the Insurer shall not be done without the consent of the “insured”; such consent shall not be unreasonably withheld.

In the event the “insured” is entitled by law to select independent counsel to defend itself at the Insurer’s expense, the attorney fees and all other litigation expenses the Insurer shall pay to that counsel are limited to the rates the Insurer actually pays to counsel that the Insurer normally retains in the ordinary course of business when defending “claims” or lawsuits of similar complexity in the jurisdiction where the “claim” arose or is being defended. In addition, the “insured” and the Insurer agree that the Insurer may exercise the right to require that such counsel: **1)** have certain minimum qualifications with respect to their competency, including experience in defending “claims” similar to those being asserted against the “insured”; **2)** maintain suitable errors and omissions insurance coverage; **3)** be located within a reasonable proximity to the jurisdiction of the “claim”; and **4)** agree in writing to respond in a timely manner to the Insurer’s requests for information regarding the “claim”. The “insured” may at any time, by its signed consent, freely and fully waive its right to select independent counsel.

- C.** The “insured” shall have the right and the duty to retain a qualified environmental consultant or “catastrophe management firm” to: **1)** perform any investigation and/or remediation of any “pollution condition” or “site environmental condition” covered pursuant to this Policy; or **2)** perform “catastrophe management services” covered pursuant to this Policy, respectively. The “insured” must receive the consent of the Insurer prior to the selection and retention of any such environmental consultant or “catastrophe management firm”, except in the event of an “emergency claim” that results in “emergency response costs”.

- D. “Legal defense expenses” reduce the Limits of Liability identified in the Declarations to this Policy, and, unless specifically stated otherwise herein, any applicable Limits or Sublimits of Liability identified in any endorsement hereto. “Legal defense expenses” shall also be applied to the “self-insured retention”.
- E. The Insurer shall present all settlement offers to the “insured”. If the Insurer recommends a settlement which is acceptable to a claimant, exceeds any applicable “self-insured retention”, is within the Limits of Liability, and does not impose any additional unreasonable burdens on the “insured”, and the “insured” refuses to consent to such settlement offer, then the Insurer’s duty to defend shall end. Thereafter, the “insured” shall defend such “claim” independently and at the “insured’s” own expense. The Insurer’s liability shall not exceed the amount for which the “claim” could have been settled if the Insurer’s recommendation had been accepted, exclusive of the “self-insured retention”.
- F. Solely with respect to coverage afforded pursuant to Coverage D. of this Policy, in the event that the “named insured” and the Insurer do not agree that the “loss” proposed by the “named insured” is reasonable and necessary, the parties agree to submit such dispute to any standard form of alternative dispute resolution acceptable to the parties. If the parties cannot agree on the particular form of alternative dispute resolution, then the dispute shall be submitted for arbitration via the American Arbitration Association and administered pursuant to its Commercial Arbitration Rules. Judgment on the arbitration award may be entered into any court having jurisdiction.

IV. COVERAGE TERRITORY

The coverage afforded pursuant to this Policy shall only apply to “covered professional services”, “covered operations” and “transportation” performed, and “claims” made, within the United States of America.

but solely in those instances when, in the good faith opinion of a “key executive”, the associated “pollution condition” or “site environmental condition” has resulted in or is reasonably likely to result in: **a)** “loss” (exclusive of “catastrophe management costs”) that will exceed the applicable “self-insured retention”; and **b)** a need for “catastrophe management services” due to “adverse media coverage”.

“**Catastrophe management costs**” do not include any “legal defense expense”.

- F. “Catastrophe management firm”** means any firm that is approved, in writing, except for firms retained for the same seven (7) day period associated with “emergency response costs”, by the Insurer to perform “catastrophe management services” in connection with a “pollution condition” or “site environmental condition”.

2. Additional “remediation costs” incurred after the expiration of the seven (7) day period contemplated in Paragraph 1., above, provided the applicable “insured” has secured the Insurer’s prior written consent to its incurrence of such expenses.

If no applicable laws exist that govern the remediation, investigation, quantification, monitoring, removal, disposal, treatment, neutralization, or immobilization of such “pollution condition” or “site environmental condition” in the jurisdiction of the “covered operations”, “completed operations” or “transportation”, necessary “remediation costs” may be established by securing the written professional recommendations of an “environmental professional”.

“**Emergency response costs**” also means reasonable and necessary expenses required to restore, repair or replace real or personal property to substantially the same condition it was in prior to being damaged during the course of responding to such “pollution condition” or “site environmental condition”. - D.** Upon the discovery of a “pollution condition” or “site environmental condition”, the “insured” shall make every attempt to mitigate any loss and comply with applicable law. The Insurer shall have the right, but not the duty, to mitigate such “pollution conditions” or “site environmental condition” if, in the sole judgment of the Insurer, the “insured” fails to take reasonable steps to do so. In that event, any “remediation costs” or “catastrophe management costs” incurred by the Insurer shall be deemed incurred by the “insured”, and shall be subject to the “self-insured retention” and Limits of Liability identified in the Declarations to this Policy.
- E.** Solely with respect to Coverage **A.**, of this Policy, if during the “policy period” the “insured” becomes aware of a circumstance which may reasonably give rise to a “claim” covered pursuant to this Policy, and the “insured” gives written notice to the Insurer during the “policy period” of:
1. The names of the potential claimants;
 2. Details of the alleged “wrongful act”, error or omission in the performance of “covered professional services”;

- then any “claim” which arises out of such “professional loss” shall be deemed to have been first made at the time such written notice was received by the Insurer. No coverage shall be afforded for any fees, expenses and other costs associated with the investigation of a circumstance prior to a “claim” being made.
- F.** It is a condition precedent to coverage afforded pursuant to the Coverage **E.** of this Policy that:

 2. The “named insured” provides the Insurer with the opportunity to participate in the investigation or settlement of an “affirmative claim” even though the Insurer has no duty to do so pursuant to this Policy. Whether or not the Insurer chooses to participate in the settlement of an “affirmative claim,” the “named insured” shall make every reasonable effort to obtain from the “responsible professional” that is a party to such settlement an assignment of its rights to pursue claims against any other “responsible professionals” that are related to or arising from the “wrongful acts” included in the “affirmative claim” and settlement.
 3. The “named insured” agrees not to enter negotiations of, or otherwise settle, compromise or release, an “affirmative claim” with the “responsible professional” or its representative involving, in whole or in part, matters that may, in whole or in part, be covered pursuant to the Contingent Professional Indemnity Coverage Endorsement of this Policy without the Insurer’s knowledge and consent to such negotiation, settlement compromise or release (hereinafter Settlement). However, the Insurer may, in writing, and at its sole discretion, waive its participation and consent to such Settlement. If the Insurer elects to participate in the Settlement of an “affirmative claim”, the “insureds” shall fully cooperate with the Insurer’s requests for information. The “insureds” duty to cooperate with the

Insurer is also condition precedent to coverage pursuant to the Contingent Professional Indemnity Coverage Endorsement of this Policy and the “insureds” failure to cooperate shall relieve the Insurer of its obligations and liability thereunder.

 - 1.** Makes a written request, to the address identified in Item 8.b. of the Declarations to this Policy, for such endorsement which the Insurer receives prior to the expiration of the “policy period”; and
 - 2.** Pays the additional premium when due. If that additional premium is paid when due, the supplemental “extended reporting period” may not be cancelled, provided that all other terms and conditions of the Policy are met.

IX. GENERAL CONDITIONS

A. Cancellation

- 1.** This Policy may be cancelled only by the “first named insured”, or through the “first named insured’s” agent, by mailing to the Insurer at the address identified in Item 8.b. of the Declarations to this Policy, written notice stating when such cancellation shall be effective.

 - a.** Non-payment of premium;
 - b.** Fraud or material misrepresentation on the part of any “insured”; or
 - c.** Material change in the “covered professional services” and/or “covered operations” from the description identified in the Application to this Policy and supporting materials which results in a material increase in the likelihood or severity of any “loss”, “wrongful acts”, “pollution conditions” or “site environmental conditions”,

by mailing to the “first named insured” at the “first named insured’s” last known address, written notice stating when, not less than sixty (60) days thereafter, fifteen (15) days if cancellation is for non-payment of any unpaid portion of the premium, such cancellation shall be effective. The mailing of notice shall be sufficient proof of notice. The effective date and hour of cancellation stated in the notice shall be the end of the “policy period”.

Subparagraph **2.b.**, herein, shall apply only to that “insured” that engages in the fraud or misrepresentation. This exception shall not apply to any “insured” that is a parent corporation, subsidiary, employer of, or otherwise affiliated by ownership with, such “insured”.

3. In the event of cancellation, the premium percentage identified in Item **6.** of the Declarations to this Policy shall be the minimum-earned premium upon the inception date of this Policy. Thereafter, the remaining unearned premium, if any, shall generally be deemed earned by the Insurer on a *pro rata* basis over the remainder of the “policy period”. Notwithstanding the foregoing, in the event a “claim” is first made against an “insured”, or a “wrongful act”, “pollution condition” or “site environmental condition” is first discovered by an “insured”, during the “policy period”, to which this insurance may apply, in whole or in part, then any remaining unearned premium, if any, shall be deemed immediately earned upon such event. Any unearned premium amounts due the “first named insured” upon cancellation of this Policy shall be calculated on a *pro rata* basis and refunded within thirty (30) days of the effective date of cancellation.

B. Inspection and Audit

To the extent of the “insured’s” ability to provide such access, and with reasonable notice to the “insured”, the Insurer shall be permitted, but not obligated, to inspect the “insured’s” property and/or operations. Neither the Insurer’s right to make inspections, the making of said inspections, nor any report thereon shall constitute an undertaking, on behalf of or for the benefit of the “insured” or others, to determine or warrant that such property or operations are safe or in compliance with applicable law.

The Insurer may examine and audit the “insured’s” books and records during this “policy period” and extensions thereof and within three (3) years after the final termination of this Policy.

C. Legal Action Against the Insurer

No person or organization other than an “insured” has a right pursuant to this Policy:

1. To join the Insurer as a party or otherwise bring the Insurer into a suit against any “insured”; or
2. To sue the Insurer in connection with this insurance unless all of the Policy terms have been fully complied with.

A person or organization may sue the Insurer to recover after an agreed settlement or on a final judgment against an “insured”. However, the Insurer shall not be liable for amounts that are not payable pursuant to the terms of this Policy or that are in excess of the applicable Limit of Liability. An agreed settlement means a settlement and release of liability signed by the Insurer, the “insured”, and the claimant or the claimant’s legal representative.

Coverage E.

Notwithstanding the foregoing, and solely with respect to coverage afforded pursuant to Coverage **E.** of this Policy, no action shall lie against the Insurer unless, as a condition precedent thereto, there has been full compliance with all of the terms and conditions of this Policy, and both the “responsible professionals” liability and the amount of the “responsible professionals” obligations to pay have been finally determined either by final judgment against the “responsible professionals” after an actual contested “affirmative claim” or by the “named insured’s” written settlement with the “responsible professionals” to which the Insurer has given its prior written approval.

D. Bankruptcy

The insolvency or bankruptcy of any “insured”, or any “insured’s” estate, shall not relieve the Insurer of its obligations pursuant to this Policy. However, any such insolvency or bankruptcy of the “insured”, or the “insured’s” estate, shall not relieve the “insured” of its “self-insured retention” obligations pursuant to this Policy. This insurance shall not replace any other insurance to which this Policy is excess, nor shall this Policy drop down to be primary, in the event of the insolvency or bankruptcy of any underlying insurer.

E. Subrogation

In the event of any payment pursuant to this Policy by the Insurer, the Insurer shall be subrogated to all of the rights of recovery against any person or organization, and the “insured” shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. All “insureds” shall do

nothing to prejudice such rights. Any recovery as a result of subrogation proceedings arising pursuant to this Policy shall accrue first to the "insureds" to the extent of any payments in excess of the limit of coverage; then to the Insurer to the extent of its payment pursuant to the Policy; and then to the "insured" to the extent of the "self-insured retention". Expenses incurred in such subrogation proceedings shall be apportioned among the interested parties in the recovery in the proportion that each interested party's share in the recovery bears to the total recovery.

Notwithstanding the foregoing, the Insurer hereby waives its rights to subrogate against all clients of a "named insured" where such waiver is required by written contract or agreement executed between a "named insured" and such client prior to the relevant "claim" or discovery of a "wrongful act", "pollution condition" or "site environmental condition" to which this insurance applies.

Coverage E.

Notwithstanding the foregoing, and solely with respect to coverage afforded pursuant to Coverage E. of this Policy, the "named insured" agrees to provide a written transfer to the Insurer any rights against other "responsible professionals" that the "named insured" obtains pursuant to Section VII., NOTICE AND COOPERATION, Subsection F., of this Policy if the "named insured" has reasonably elected not to pursue same in furtherance of its "affirmative claim". The "named insureds" agree not to do anything to prejudice those rights.

F. Representations

By accepting this Policy, the "first named insured" agrees that:

1. The statements in the Declarations, schedules and endorsements to, and Application for, this Policy are accurate and complete;
2. Those statements and representations constitute warranties that the "first named insured" made to the Insurer; and
3. This Policy has been issued in reliance upon the "first named insured's" warranties.

G. Separation of Insureds

Except with respect to the Limits of Liability, Cancellation condition 2.a., and any applicable exclusions, this Policy applies:

1. As if each "named insured" were the only "insured"; and
2. Separately to each "named insured" against whom a "claim" is made,

and any fraud, misrepresentation, breach of a condition or violation of any duty (hereinafter Breach) by an "insured" shall not prejudice coverage for any "named insured" pursuant to this Policy, provided that: **1)** such "named insured" did not participate in, know of or assist in such Breach; and **2)** such "named insured" is not a parent, subsidiary, partner, member, director, officer of, employer of or otherwise affiliated with, the "insured" that committed such Breach.

H. Other Insurance

Coverage A.

1. If other valid and collectible insurance is available to any "insured" covering a "loss" also covered by this Policy, other than a policy that is specifically written to apply in excess of this Policy, the insurance afforded by this Policy shall apply in excess of and shall not contribute with such other insurance.

Coverages B. and C.

2. If other valid and collectible insurance is available to any "insured" covering "loss" also covered by this Policy, this insurance shall apply as primary insurance. The Insurer's obligations are not affected unless any other applicable, unaffiliated insurance is also determined to be primary. In that event, the Insurer shall share with the insurer underwriting such other insurance by the method described in Paragraph 2., below.

3. *Method of Sharing*

If all of the other insurance permits contribution by equal shares, the Insurer shall follow this method also. Pursuant to this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, the Insurer shall contribute by limits. Pursuant to this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

4. *Excess*

Notwithstanding anything to the contrary contained herein, any coverage provided by this Policy shall be excess over and shall not contribute with any other policy of insurance issued in relation to a specific project, including, but not limited to, any owner-controlled insurance program, contractor-controlled insurance program, owner's protective policy, wrap-up policy, builder's risk policy, installation risk policy or any other similar insurance, policy or program, whether such other insurance, policy or program is issued on a primary, excess, contributory, contingent or other basis.

Primary Non-Contributory By Contract

5. Notwithstanding the foregoing, and solely with respect to coverage afforded pursuant to Coverage **B.** of this Policy, the insurance afforded by this Policy shall apply as primary to, and not contributory with respect to, any such other insurance that is directly procured by a client for its own benefit.; provided that: **a)** such primary and non-contributory insurance obligation is required by written contract or agreement executed between a "named insured" and such client prior to the relevant "claim" or discovery of a "pollution condition" or "site environmental condition" to which this insurance applies; and **b)** the scope of the Insurer's agreement not to seek contribution, herein, shall be further limited to the specific requirements of such written contract or agreement.

I. Changes and Assignment

Notice to or knowledge possessed by any person shall not effect waiver or change in any part of this Policy or estop the Insurer from asserting any right pursuant to the terms of this Policy. The terms, definitions, conditions, exclusions and limitations of this Policy shall not be waived or changed, and no assignment of any interest in this Policy shall bind the Insurer, except as provided by endorsement and attached to this Policy.

J. Headings

The descriptions in the headings and sub-headings of this Policy are inserted solely for convenience and do not constitute any part of the terms or conditions hereof.

K. Consent

Where the consent of the Insurer, or an "insured", is required pursuant to this Policy, such consent shall not be unreasonably withheld, delayed, conditioned, or denied.

L. Supplementary Payments

With respect to any covered "claim" or "emergency claim" that the Insurer investigates, settles or defends pursuant to this Policy, the insurer shall pay for:

1. All internal expenses incurred by the Insurer;
2. All reasonable expenses incurred by an "insured" at our request to assist us in the investigation, settlement or defense of the "claim" or "emergency claim", including loss of earnings because of time off work, up to the aggregate amount of **five thousand dollars (\$5,000)** per "pollution condition" or "site environmental condition";
3. All court costs taxed against the "insured" in a suit, but such costs shall not include attorneys' fees or attorneys' expenses taxed against the "insured"; and
4. Up to **five thousand dollars (\$5,000)** in civil fines, sanctions or penalties levied against the "named insured" pursuant to the American with Disabilities Act of 1990 or the Occupational Safety and Health Act. Coverage afforded pursuant to this Supplementary Payment is subject to the internal

laws of the applicable jurisdiction regarding the insurability of such fines, sanctions and penalties. The maximum amount that the Insurer shall pay pursuant to this Supplementary Payment shall be **fifteen thousand dollars (\$15,000)**, regardless of the number of “claims”, “emergency responses”, “wrongful acts”, “pollution conditions” or “site environmental conditions”.

The Supplementary Payments identified above shall not be subject to the “self-insured retention” of this Policy, but shall, with the exception of internal expenses incurred by the Insurer in Paragraph 1., above, reduce and erode the Limits of Liability discussed in Section II., **LIMITS OF LIABILITY AND SELF-INSURED RETENTION**, Subsections C., D. and E., of this Policy, along with any applicable exposure-specific Limit or Sublimit of Liability added by endorsement hereto.

M. Underlying Professional Insurance

It is a condition precedent to coverage afforded pursuant to Coverage E. of this Policy that the “named insured” contractually require and secure evidence of insurance documentation to support that each “responsible professional” has professional liability insurance for professional services to be performed on behalf of such “named insured” prior to the undertaking of such services.
