Private Equity +

**Portfolio Company Pre-Acquisition  
Cybersecurity Risk Assessment  
REIMBURSEMENT INFORMATION**

Name of Policyholder and Policy Number: \_\_\_\_\_

If you are a Private Equity+ policyholder, and Loss Mitigation Services is included in your Policy, you may be eligible, where permitted by law, for reimbursement costs for a portfolio company pre-acquisition cybersecurity risk assessment provided during the Policy Period.

For in-network third-party cybersecurity risk consultants, the Company may reimburse policyholders for 2.5% of the cost of each pre-acquisition cybersecurity risk assessment for each subsequently acquired portfolio company, such reimbursement not to exceed \$10,000 for all pre-acquisition cybersecurity risk assessments conducted during the Policy Period, or any replacement Policy thereof.

Application for reimbursement may occur at any time during the Policy Period for the portfolio company pre-acquisition cybersecurity risk assessment provided during that Policy Period. For reimbursement, please submit this form with supporting documentation at any time during the Policy Period.
