

Surety for National & Global Engineers & Contractors

Because strong relationships are the foundation of your business.

CHUBB®

Do you want surety credit that is backed by unrivaled stability... a deep understanding of your company... superior service... and expertise that's available when you need it?

Then you want Chubb.

We have the capacity and expertise to support large international contractors, and we also have the local knowledge and resources to provide regional contractors with a broad range of outstanding products and expertise. Most importantly, you'll find that we are committed to getting to know your management team, understanding your business, and supporting your company's success.

We Offer:

- Performance bonds
- Payment bonds
- Maintenance bonds
- Knowledge and expertise in Public-Private Partnership projects

For multi-state, national and global territory construction, including:

- General contractors
- Highway/heavy contractors

- Engineering firms
- Large trade subcontractors
- Experienced contractors with a track record, as well as financial and organizational resources that match their business plan

Backed by the advantages of Chubb:

- Financial strength and stability, as attested by the ratings we receive from the leading independent insurance rating services. For more than 75 years, Chubb has remained part of an elite group of insurers that have maintained A.M. Best's highest ratings.
- Dedication to developing a close, confidential relationship with your company.
- Commitment to the construction surety industry for more than 130 years.
- For qualifying firms, the surety capacity needed to support virtually any size project.
- Experienced underwriters that can help you build for the future.
- Supported by a strong branch network throughout the world, offering Surety capabilities in more than 80% of developed countries.
