

# Environmental Risk

## Environmental protect

Our Environmental Protect policy is designed to offer a broad range of flexible, affordable protection for environmental risks arising out of a client's entire business operations, whether undertaken on their own premises or at third party locations.

CHUBB®

### What we offer

Cover is offered on either an annual or multi-year basis. We combine our wealth of expertise in the environmental risk field with our capabilities in insurance to provide seamless cover for our insured's entire business operations. This helps to avoid gaps in cover and allows peace of mind that environmental risks are adequately catered for.

### Key policy covers

1. Remediation costs imposed by Regulators, including clean-up of:
  - the insured's own property
  - other land, water, and biodiversity
2. Third-party legal liability, including:
  - Bodily Injury
  - Property damage, including loss of use and diminishment in value
  - Nuisance trespass & obstruction
3. Cover for sudden & accidental and gradual pollution
4. Covers all environmental damage, not just resulting from pollution
5. Losses arising from transportation of products or waste by or on behalf of the insured
6. First-party business interruption
7. Loss mitigation costs – emergency expenses incurred in responding to an incident

8. Contractor's pollution – includes cover for the insured's contract works at customer sites
9. Costs and expenses included for all claims within the policy limits
10. Products Pollution Liability
11. Multinational policy form available, providing coverage on a worldwide basis with local policies where required
